

Heart of America Quilt

7 First Street Winslow, Maine 04901

Annual Report

2007

Mission and Goals

- **Mission:** The Heart of America Quilt is dedicated to unite in honor of those affected by 9/11, and to educate children and the public about current events, history and uniting for community service.
- **The goal of the Quilt** is to demonstrate the unity of this great nation in the form of a U.S. Flag whose white stripe are made up of panels from individuals, organizations and government agencies, and to serve as a reminder of those who have made the ultimate sacrifice of our freedoms.
- **The goal of our educational program** is to create a more proactive world by establishing and maintaining a national level education program directed at creating greater awareness and involvement among citizens, beginning with children, and in community involvement with group communications at the Federal, State and Local levels.

Summary of 2007 Accomplishments

In 2007 Heart of America Quilt, Inc. (HoAQ) –

May a signing was organized for Total Computer Group of New York

In April the Board of Directors met in Washington DC and HoAQ was given the opportunity to address the Northern Virginia Rescue Challenge and present for them the HoAQ power point.

In June of 2007 HoAQ traveled to Dallas, Texas, for an event with the Navy Counselors Association (NCA), providing a show of unity for those affected by 9/11 and the war on terror through panels shown and a signing for over 800 Sailors. A briefing was done before the NCA Symposium and three panels were added.

In September Heart of America Quilt visit New York City and NYMEX. A special hanging display was created to hold their panels and hang in their lobby for memorial services. HoAQ Director was present for their 9/11 memorial.

Board of Directors

- **Susan Morissette - President/Executive Director**
Susan founded the Heart of America Quilt with her family on Sept. 13th 2001 and serves as the President and Executive Director. She brings with her over 10 years of experience in the field of sociology with a strong background in communications and public relations. She has served her community as a member of the personnel appeals board for Winslow Maine during the past 10 years. Her work with the Heart of America Quilt was recognized by the Point of Light Foundation when they honored her as a National Daily Point of Light.
- **Colonel K. Steven Collier**
Steve is a 1977 Graduate of the United States Military Academy at West Point New York. He brings with him 24 years of Command and Staff experience with the United States Army. He retired as Director of the US Army Model Simulation Office at the Pentagon in April of 2001. He has a BS degree with a Concentration in Civil Engineering and an MS in Systems Analysis. In 1998, he completed a Senior Research Fellowship at the University of Texas in Austin, Texas. He is an ISO 9002 Certified Project Management Professional. Since Nov 2001, Steve has served as President of Liquidmetal® Defense of Tampa Florida.
- **Tamera Selhaver**
Tamera worked in the Comptroller's Office at Defense Information Systems Agency (DISA) for 7 years before leaving the government in 1998 to work as a Web Developer & Systems Analyst for Lloyd Lamont Designs. In 2000, she moved to a Senior Web Developer position with Titan Corporation. On 9/11, she was working at the Pentagon for the Army G-1 and was among the more fortunate in her office to survive. Because of her contributions and efforts before, during and after 9/11, she has earned several awards. These awards include a certificate of Appreciation from the Army G-1, LTG John Le Moyne, Jul 02, a coin from the Chief of the G-1 Plans, Resources, and Operations, Sep 02; and a coin from the Chief of the G-1 Information Management, Sep 01. Her most valued recognition though is a Memorandum of Appreciation from the Chief of Army Retirement Services, Apr 01. The Chief, MSG Max Beilke (Ret), was killed on 9/11, along with his Deputy LTC Gary F. Smith (Ret).
- **Jean Rosenbluth**
Jean brings with her 20 years' of experience as an Executive Assistant at the University of Maryland. She left the President's Office in 1984 to join the B. F. Saul Companies as Mr. Saul's executive assistant. In 1986, she married William Rosenbluth and, together, they founded Automotive Systems Analysis, Inc., in Reston, VA, a forensic investigative firm for automotive product liability litigation, where she has worked as the Office Manager since that time.
- **Mike Doyle, MHRM, SPHR**
Mike retired from the Navy in 2007 as a Master Chief Petty Officer with over 30 years of service. In August 2004 he graduated from Webster University with a Masters of Arts in Human Resources Management. He received a Bachelor of Science in Business and Management in January 1992 from the University of Maryland and a Professional Certificate in Total Quality Management from Hawaii Pacific University in January 1993. Additionally, Mike serves as our web and information advisor.
